Type: ROUTINE INSPECTION

Date: Apr-09-2008

HARTVILLE, MO 65667

2.40 (b) (2)

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

(b) Each dealer or exhibitor shall establish and maintain programs of adequate veterinary care that include:

(2) The use of appropriate methods to prevent, control, diagnose, and treat diseases and injuries, and the availability of emergency, weekend, and holiday care;

*****At the time of the inspection, a Boston terrier had two small red masses in each of it eyes. The dog must be evaluated by the attending veterinarian and a record of the evaluation results and treatment protocol kept by the owner. This affects one animal. To be corrected by 04-16-08

3.1 (c)

HOUSING FACILITIES, GENERAL.

c) Surfaces--

(1) General requirements. The surfaces of housing facilities--including houses, dens, and other furniture-type fixtures and objects within the facility--must be constructed in a manner and made of materials that allow them to be readily cleaned and sanitized, or removed or replaced when worn or soiled.

*****At the time of the inspection, the yorkie building had an accumulation of hair dust and other debris. The tops of the enclosure had a layer of dust, dirt, cobwebs and other debris that must be removed from the building. To protect the health and well-being of the animals in the building all surfaces must be cleaned and sanitized routinely. This affects ten animals. To be corrected by 04-15-08.

*****Inspection conducted by R. Whiteley, ACI and the owner.
